Please see the starred question which Sri Manjaya Shetty, M.L.A. proposes to ask in the Legislative Assembly. Attention is invited to the typed note at pp.1-2 n.f. of Lodged No.1695 S/50 dt.8-5-50 and to the notes at pp 1-5 n.f. in the linked file.

There was a discussion about this subject on 5-7-52 in the room of M (I. & L) at which a number of M.Ps. , M.L.As and M.L.Cs. belonging to the S.Kanara District were present. They stressed the point that the construction of railway link between Hassan and Mangalore should not be coupled with ~~with~~ the selection of site for the major Port between Cochin and Goa.

This Government have already recommended the Mangalore-Hassan Line to the Government of India and the only reason why further ~~representations~~ ~~recommendations~~ have not been mad/

vide pp 5-6 of all

is that in view of the financial stringency, the Govt. of India have been inclined to put off all the projects which are being newly recommended to them. It was finally decided during the discussion to address the Government of India suggesting to them that the Mangalore-Hassan line be taken up at the earliest opportunity.

There was also some discussion about Mangalore-Udipi line. It was pointed out that so far we have not recommended this line to the Government of India, and that, however desirable it may be, it would be ~~necessary to go into the merits of the case in relation to its cost before any reductions is made to the Government of India.~~ It was also suggested and that it would be better to concentrate on the Hassan Mangalore line and get that approved before we press them to another line in the same area.

M (I & L) agreed to the suggestions at 'A' above and to address the Govt. of India once again. C.M. while agreeing with the suggestion has remarked that there is no harm however in including a passing reference to Mangalore-Udipi and saying we would not object to it and on the contrary we would like it also. The file is being circulated again to M. (I & L).

In the circumstances a reply may perhaps be given to the member, stating that the matter is under consideration. A draft answer is submitted below. The file may be circulated to M. (I & L) for approval.

Why not change the answer
 "Matter is under consideration"
 to "yes", since CM has also
 approved of the proposal to write
 to G. of India. I thought that a
 draft letter had been prepared.
 It may also be sent to G. of India
 & answer 'yes' would be correct
 that would close the file for
 the present at least
